## Celebrate Smart: Take the Balloon Promise

Balloons bring joy to life's special moments, and how we use them matters.

I promise to celebrate responsibly and:

- ✓ Never release balloons outdoors
- ✓ Properly secure balloons during events
- ✓ Supervise children and pets; uninflated, broken balloons may cause choking or suffocation
- ✓ Never inhale helium, it can be dangerous and lead to serious health risks
- ✓ Dispose and/or recycle used balloons and packaging responsibly
- ✓ Share the message with others

Small actions keep celebrations beautiful for people, wildlife, and our planet.

Take the promise.  
Celebrate with care.
